

Black Country Chamber Members' Offer

Paycare are offering a **Company Paid Health Cash Plan with Immediate Benefit and Pre-Existing Cover, exclusively for Chamber Members**

As a not-for-profit Health Cash Plan provider, our aim is for the whole of the Black Country and beyond, to be happy and healthy.

We're firm believers that prevention is far better than cure. Supported staff mean **higher levels of productivity, lower levels of absence, and increased morale.**

Paycare Plans enable employees to **claim back up to 100%** of what they spend on everyday healthcare (within a specified annual limit), offer staff access to an online **GP App**, a **Support Helpline** and a platform to make savings on everyday spending with **Paycare Perks**.

This **exclusive Chamber offer*** also includes immediate cover (from the start date of your scheme), along with cover for pre-existing medical conditions (subject to terms). Log in and quote the code when you get in touch, to access this offer.

Want to know more about Health Cash Plans? We can offer a **FREE demo** with one of our experienced Account Managers.

*Full policy terms and conditions provided at application stage.

We're available to answer any questions you might have about **Health Cash Plans!**

Have a **question** about how your team could claim **money** towards the **cost** of everyday **healthcare**, along with the support of a virtual **GP Service** or **Support Helpline**, and access a Perks **discount** platform?
